

I Volunteer

because.

**Join the FRIENDSHIP CIRCLE.
Make a difference
in the life of a child.**

**Volunteers in the Friendship Circle
make a difference to children who
have special needs.**

Therapists and special schools can do a lot to enhance the lives of children with special needs. However there is one thing that you can do that will make a lasting impact. And that is being a friend. There is a child in our community who would love to hang out with you. To play with you. To sing with you. To share laughter and love.

Joining Friendship Circle is easy. Attend a short training session and choose your volunteer commitment.

You can choose a once a week or twice a month visit in a child's home OR once a month participation at a Friendship Circle program. These few hours that you spend with a child will be meaningful and fun. Then start enjoying a most rewarding friendship. Because you will have made a difference.

I'm needed

...because I'm
with my friends

...because
it's during my
spare time

...because I
want to change
a child's life

because
WE CAN
MAKE A
DIFFERENCE
