

LAG BA'OMER COMMUNITY CAR PARADE DECORATING KIT

Below you will find many signs and slogan ideas!

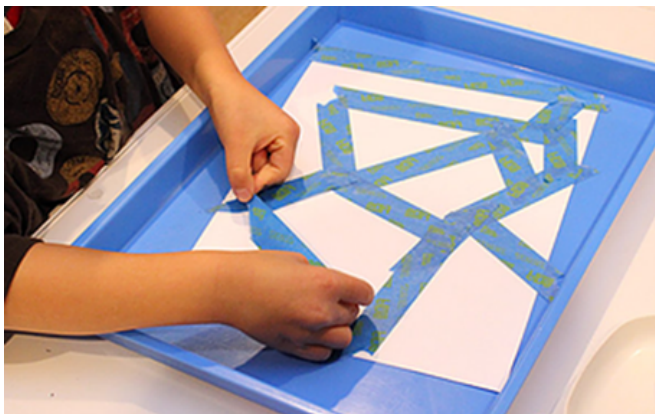

- Print the sign of your choice or create your own!
- Add your own drawings
- Collect markers, crayons, glitter, glue, paint, tape, watercolors, scissors, felt, fabric and any other easy craft supplies you have at home
- Decorate and bedazzle your sign
- To make your sign really BIG: Use a project poster board or side of a cardboard box

Make a cool background using tape resist painting:

Masking/painters tape works best, it peels off so easily with no need to rip off the paper

Step 1:

Place tape on your sign in any pattern, lines or shapes you like.

Step 2:

Paint the sign and let dry

Step 3:

When the paint and paper are dry, start peeling the tape very slowly and patiently.

- Make 3D: Cut, fold, curl, pleat colorful paper to pop out of your sign!

To our First Responders:
